

# DIGNITY CARE

*“Some of the essential principles  
of OpusCare are the passion,  
professionalism and dedication  
of our staff.”*

**Dr. Ismael Roque-Velasco**  
President and CEO of OpusCare

*We can't change the destination,  
but we can affect the journey.*

## **What is OpusCare?**

A masterpiece that delivers quality healthcare to patients. Our priority is to treat our patients with dignity, professionalism and compassion.

## **Why OpusCare?**

We focus on the pain management, medical needs and emotional support for our patients and their families.

## **Quality and Innovation**

Our palliative and hospice programs offer a full support team and is ranked among the best palliative and hospice organizations, according to data from the CMS.
