

INTERNATIONAL YOUTH DAY

In the spirit of International Youth Day, we want to focus on the incredible young men and women who make up the **OpusCare Youth Volunteer** program:

- Reading to patients
- Playing games
- Musical Activities
- Provide companionship
- Give encouragement
- Help with events
- Visiting patients wherever they consider home
- Assist in office support

With a variety of skills and talents, our OpusCare youth volunteers provide a sense of comfort and support. The energy and compassion of our youth transcend through our patients, bringing a sense of joy and encouragement.

Volunteers play a significant role in our efforts of improving our patients quality of life through these often challenging times.
